

Strategic Vision 2022

Our Year of the

Authentic Vision

VISIONARY STATEMENT

Vision: 

Empowering the isolated community for global cohesion through faith-based transformation and development. We seek to unify diverse communities under a shared faith in Christ, while resourcing, developing, and supporting them to contribute to a harmonious and interconnected world.

Mission: 

To facilitate an administrative coordinating hub for substantive global cohesion. Our mission is to create a central administrative hub that supports initiatives and partnerships, collaborating with churches, community groups, and individuals to build capacity and manage projects, empowering diverse communities under shared faith in Christ.

Aims and Objectives: 

1. To prevent poverty among the isolated community by equipping them with skills, knowledge, and opportunities. It will be providing eye health care and mental well-being support, recognising the importance of holistic health.
2. To advance the Christian faith in the UK and beyond for the benefit of the public. This shall empower diverse communities under shared faith in Christ, fostering interconnectedness and harmonious coexistence.
3. To create a central administrative hub that facilitates global cohesion, supporting various initiatives and partnerships and by collaborating with churches, community groups, and individuals to build capacity and manage projects that uplift the community.

Facilitating an administrative coordinating Hub for missions and pastoral care, so that the Isolated Community may be Resourced, Developed & Supported for Global Cohesion.

2022: AUTHENTIC VISION

To create a central administrative hub to coordinate global volunteering and partnership while pursuing the following:

- **Strategic Planning:** Develop a comprehensive strategic plan that outlines the specific goals, objectives, and actions needed to facilitate global cohesion through the administrative coordinating hub. This plan should align with the organization's vision of resourcing, developing, and supporting isolated communities.
- **Capacity Building:** Enhance the skills and capabilities of the administrative team by providing training and professional development opportunities. This will ensure that the team has the necessary expertise to effectively coordinate administrative efforts for global cohesion.
- **Collaboration and Networking:** Establish partnerships and collaborations with other organizations, both locally and globally, that share similar goals of promoting cohesion. Networking can help leverage resources, share best practices, and expand the reach of the administrative coordinating hub's efforts.
- **Clear Communication:** Maintain transparent and open communication channels within the administrative team and with stakeholders. Effective communication ensures that everyone is aligned with the mission and objectives, leading to smoother coordination and implementation.
- **Measurable Impact:** Define key performance indicators (KPIs) that measure the impact of the administrative coordinating hub's efforts on global cohesion. Regularly assess and evaluate progress against these KPIs to ensure that the mission's substantive impact is being achieved.
